#### Description

### **BREAKFAST PROCEDURE BELOW!**

The Merit Badge University serves as an annual Quality Merit Badge Program that helps Scouts learn about different fields of knowledge by recruiting experienced professional counselors and maintaining a limited classroom size. The Merit Badge University is a community service Project. We take a Saturday each year and teach boys Merit Badges in a University setting. This event is promoted via [www.meritbadge.info](http://www.meritbadge.info).

Please be advised that in order to participate in this event each Troop is required to file a separate request for a Tour Permit with their local Council. We are a guest of Kennesaw State University. There shall be NO littering, defacing or destruction of any structure. Our behavior will determine whether or not we will do this event again.

**Many Merit Badge Counselors will EMAIL class information prior to the merit badge event. In the spirit of BSA Youth Protection guidelines, please provide an email address for the Scouts parents rather than the individual Scout. The Scoutmaster should not use his email address to register all boys in his troop.**

**\*\*\*\*\*ALSO, SOME MERIT BADGE CLASSES REQUIRE A PARENT TOUR PERMISSION SIGNATURE. PLEASE BRING IT TO THE MERIT BADGE COUNSELOR.**

[Forms may be downloaded here.](#) \*\*\*\*\*

## **BUGLING CONTEST:**

**The BUGLING CONTEST** will be the **4th** in our area, and it is expected to be spectacular. A retired Air Force Reserve bandsman wrote the rules and regulations. There are prizes for this competition. **Details Here.** To sign up for this contest email: Mr. John Snuggs at [snuggsj@bellsouth.net](mailto:snuggsj@bellsouth.net).

## **HISTORY:**

The Merit Badge University began as a dream that would provide additional learning opportunities to our Scouts. The success of this program will ultimately depend on all of us. We debuted with 31 Merit Badge Classes, 500 Boy Scouts and 61 troops, on October 2004. Today, we have registered 3,765 Boy Scouts to the MBU at Kennesaw State University.

2004 Merit Badges:31, Scouts: 500, Troops: 61  
2005 Merit Badges:41, Scouts: 682, Troops: 100  
2006 Merit Badges:52, Scouts: 700, Troops: 100  
2007 Merit Badges:53, Scouts: 805, Troops: 142  
2008 Merit Badges:66, Scouts: 1078, Troops:182

By May 2009, our online registration at [www.MeritBadge.Info](http://www.MeritBadge.Info) was used in 45 states to register 29,320 Scouts to 4,650 classes in other events and had 236,000 visitors to the home page.

## **GIRL SCOUTS:**

During this event and for the 3rd time, we are offering badges to the Girl Scouts. They will register in the same manner as other troops.

## **CLASSROOM SETTING:**

We offer hands-on quality merit badge classes. Each Merit Badge Class is staffed with professional/expert instructors in the subject matter.

## **RULES FOR PARTICIPATION:**

- 1.) Each unit must provide one adult for every 4 boys who participate. This will help us with crowd control, as well as insure quality of results within the classroom environment.
- 2.) Scouts must have prior approval from their Scoutmaster before attending.
- 3.) Scouts must behave in a Scout-like manner. Disruptive youth will be removed from the group and either spend the remainder of the day with their Scoutmaster or be picked up by their parent/guardian.
- 4.) The Unit adults are responsible for the scouts who attend.

## **RIGHT TO LIMIT OR CANCEL:**

The Merit Badge University will reserve the right to limit or cancel any class. Merit Badges to be offered are subject to change based on MB Counselor availability and class minimums. **NO WALK-INS** will be allowed. Registration by Troop is REQUIRED. Open and ending enrollment will be limited to the dates above indicated.

## **FIRST COME FIRST SERVE:**

Scouts are admitted to classes on a first come, first served basis via the online registration system. There is no waiting list for any of the merit badges classes. Should you encounter booked classes, please monitor this website in case seats become available.

## **EXPECTATION:**

**Scouts are strongly encouraged to read the Merit Badge Booklet and finish all pre-requisites before attending the Merit Badge Clinic. They are also expected to provide the parents' email address for Merit Badge Counselor communication.**

## **FIRST AID STATION:**

There will be a First Aid Station available to all Boy Scouts and Leaders at the NU Nursing Building #16 during the Merit Badge University.

**ADULT LEADER TRAINING:**

Adults come on and learn to set up & manage online merit badge events. Registration is not needed to participate.

**UNIFORM:**

The Full B.S.A. Class A uniform is the official uniform for the day. The merit badge sash may also be worn.

**CODE OF CONDUCT:**

The Scout Oath, the Law, and the Outdoor Code shall be the code of the Merit Badge Day. A Scout whose conduct is not consistent with the code will be directed to leave the grounds immediately. Adequate supervision must be provided by each participating unit. Discipline is the responsibility of the Scoutmaster or other assigned leaders in charge of the troop.

**TRANSPORTATION:**

There is a parking fee per car charged by the University this year. The troop Leaders must coordinate arrival and departure time for transportation. Troops need to make certain that they have adequate transportation for their Scouts. Please advise your parents NOT to drop or pick up scouts. ALL transportation TO and FROM The Merit Badge University must be arranged within your troop. Encourage everyone to carpool. Troops may not leave Scouts by themselves to be picked up by parents at a later time. We will not render sitting services.

**CLEAN UP:**

The Scout is clean. Troop Leaders please coordinate with your troop to clean the premises and to keep the classrooms in the same condition as found. Future offerings of the Merit Badge University will largely depend on how neat we leave the place. All garbage must be properly disposed into designated containers or carried out.

**SECURITY:**

Because the public has access to the school, units will need to exercise their own vigilance. Report any incidents to the event organizers or the campus police.

**Counselor Information**

All Scouts must bring to class the following:
